

ESSEX COACHING

To: All Bowlers and in particular Coaches

Subject: Coaching Review update

Date: 6th March 2020

The Sub Committee, which is currently researching and preparing a report with recommendations on Coaching for the County Executives, takes this opportunity to update all Coaches and fellow Bowlers regarding the current situation.

In particular we take this opportunity to thank everyone who attended the Open Meeting on the 16th February at Falcon Bowling Club. The turnout was fantastic particularly when one considers the prevailing weather conditions. 85 Bowlers and Coaches attended the Meeting and we sincerely hope they found the presentations and information beneficial. The input was first class and greatly assisted the process.

The comments and suggestions raised will be included within the Sub Committee's report to the County Executives. This is still being prepared and we anticipate it will be ready for circulation by the end of the month. It will then be up to the County Executives to approve our recommendations and if they do so, we will then pass to the implementation stage which will be contained within the report.

Once again, we stress the importance of ALL Coaches owning the proposals. Your input and support for the recommendations is crucial to achieving a successful outcome for Coaching. We hope you will continue giving your full support to the process.

We will continue to keep you updated regarding progress and in due course we hope the report will be published for everyone's information.

Once again, many thanks for your support to date.

Best Wishes

Tony Ellis
